NOT A BIT ANXIOUS

To Run on the Democratic Ticket This Ropublican Year.

REPORT THAT JOHN D. ALDERSON

Will Not be a Candidate for Re-cleetion to Congress this Year-It May be Judge Sayder-Republican Candidates in the Third District-The Political Situation at the State Capital-A Distinguished Coxeyite,

Special Correspondence of the Intelligen

CHARLESTON, W. VA., April 20,-The political sensation of the week has been the more or less authoritative statement that Hou. John D. Alderson would not make an effort to succeed himself in Congress, believing that the fates are ngainst the Democratic party this year. The original statement to this effect came from one very near to Mr. Alderson, but came as an opinion, not as a positive fact. Many refuse to credit it, thinking it merely a ruse to call attention in another direction, while others believe it in tota.

others believe it in 1010.

A prominent Greenbrier county
Democrat says that Alderson, after having served, three torms in Congress,
doesn't want to go in and be "knocked
out," but that he must take the memination whether he wants it or not. "If
anybody is knocked out," he says, "let
it be Alderson." Hon. John A. Preston
is little if any margarish.

tion whether he wants it or not. "If anybody is knocked out," he says, "let it be Alderson." Hon. John A. Preston is little, if any, more anxious for the nomination than is Mr. Alderson, if reports are true, but it is hinted that Judge C. P. Snyder, of the Kanawha county criminal court is not in the least averse to taking it, while Col. Joseph E. Chilton is also spoken of in the same connection. There are several who are "willin," but it does not seem likely that there will be an unseemly scramble for the Democratic congressional nomination this year, which is more than can be said most years.

Another Republican knight has entered the lists in the person of Hon. Eagene Ellicott, of Logan county, and from all appearances he is likely to make a vigorous campaign for Mr. Alderson's seat. The contest for the nomination will be a friendly one so far as he is concerned, but it will be none the less vigorous on that account. Hon. Abram Burlew has not decided his intentions, as yet, but it seems quite likely that his friends will push him forward. At present he and Col. Huling are the only Kanawhans who are mentioned in this connection. Major McGinnis is not inclined to make an effort to secure the nomination, but is quite willing to accept it if tendered him. It is recognized on all sides that he has many friends in the counties lying south of the Kanawhan and New rivers who are willing to bring him to the front if opportunity offers. Hon. E. P. Rucker, of Mercer county, is an avowed candidate. J. H. Gaines of flayette, is, as yet, undecided, but is frequently mentioned in this connection. While a walk-over is not expected, all the gentlemen mentioned feel that the chances are favorable to the Republican nominee, and either will go into the fight with the intention of making an aggressive campaign.

South of the Kanawha the feeling is that the holding of the convention at

fight with the intention of making an agressive campaign.

South of the Kanawha the feeling is that the holding of the convention at Buckhannon will place the candidates from that section at a disadvantage, owners in the property of the section o from that section at a disadvantage, owing to its remoteness and difficulty of
access by railroad and there are some
expressions of disappointment at the
committee's action in selecting that
place, but nevertheless no one is disheartened and all hope that their section will be treated fairly notwithstanding the fact that the majority of the
delegates present will probably be from
the counties nearer to the scene than
theirs.

the counties as a their theirs.

John F. Rowan, who represented the Third congressional district on the electoral ticket two years are, is spoken of for the state senate on the Republican side, while it seems likely that "Bob" Carr will have the field to him-saff in the ranks of the Democracy.

can side, while it seems likely that "Bob" Carr will have the field to himself in the ranks of the Democracy. "Bob" is having a good time, and is making himself as solid with the country people as possible. Every day he may be seen telea-tele with one or more of them, riding with them in their wagons, chucking their babies under the chin and what not. He is not letting any grass grow under his feet.

Candidates for members of the house of delogates are beginning to develop. M. J. O'Brien, tormerly district master workman of the Knights of Labor, Sim Iron, secretary of the Federated Trades Union of this city, and Dr. R. H. Lee, a prominent Republican and Grand Army man, of St. Albans, have all been mentioned within the last ten days. So far, none have been mentioned on the Democratic side as then the nomination will-be a doubtful honor, which few, if any, care to take.

The Coxey movement has several sympathizers in Charleston, but only one has, as yet announced his intention of joining the motley army. That one

one has, as yet announced his intention of joining the motley army. That one is Clerk "Bill Dave" Goshorn, who expects to leave for Washington about the last of the month and join General Coxey and his friends either in or just outside the city. This announcement has not caused as much surprise as might have been surposed, as the people here long ago ceased to be surprised by anything "Bill Dave" does. One of his wazgish friends says he will take aram's horn with him and will march around the city seven times, blowing it, as Joshua did of old, with the hope of bringing about a similar result. If it does not, then the army will march in and do one has, as yet announced his intention then the army will march in and what "Bill" and his horn failed to do.

CRIMINAL NEGLIGENCE

Caused the Wreck of the Steamer Los Angeles-The Coroner's Verdict, MONTEREY, CALA., April 24.—The cor-

oner's investigation into the cause of the wreck of the steamship Los Angeles at Point Sur on Saturday night has resulted in a verdict charging Roger Ryfogel the ship's third officer with criminal negligence and carelessness. He was taken into custody and will be tried for mansiaughter. The testimony before the coroner's jury showed that Ryfogel changed the ships course without consulting the captain, doing so after Captain Leland had particularly ordered that he be called from his bunk to direct the steamers cause when the Point Sur licht should be standard when the les at Point Sur on Saturday night has to direct the steamers caurse when the Point Sur light should be reached.

A Household Treasure.

D. W. Fuller, of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykoman, Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free at Logan Drug Co,'s drug store. Regular size 50c, and \$1.00.
